

## **Bawat joins forces with AMW-MARINE.**

**28.04.2020, Copenhagen, Denmark:** Bawat is pleased to announce that AMW-MARINE and Bawat have joined forces for the Benelux market for Bawats BWMS technology.

Bawat CEO Marcus Hummer is thrilled and says 'AMW-MARINE is located with its sales and service teams near Rotterdam, and with more than 50 years' experience from the maritime industry perfectly suited to support Bawat customers in Benelux.'

Rob Schut, owner of AMW-MARINE states 'We have long term been looking for the right BWMS to match our portfolio of technologies, and with BAWAT we believe we have a winning combination of marine proven technology and an innovative sustainable solution. We look forward to introduce the Bawat technology to our current and new customers'.

'At BAWAT and AMW-MARINE we are here to support you with your BWMS questions and needs. Please contact us at [www.bawat.com](http://www.bawat.com) or [www.amw.nl](http://www.amw.nl).
